FEES ARE TENTATIVE UNTIL SEASON STRUCTURE AND START DATE ARE DETERMINED BY HOCKEY CANADA, OHF, AND OMHA. NO FEES ARE BEING ACCEPTED, HOWEVER, REGISTRATION IS OPEN AS OF JULY 1, 2020

Register online: www.tntminorhockey.com

If you have any questions, please contact: Lori Wadge 705-434-9301 or at tntminorhockey@bellnet.ca

For players that are NEW to hockey, one parent must complete the Respect in Sport – Parent Course (one parent/family). This is done online via the OMHA website (<https://omhahockeyparent.respectgroupinc.com>). If you have already completed the program for another child, please log back into your profile and add the new child.

All players new to TNT Minor Hockey must provide a copy of their child’s birth certificate upon registration as per Hockey Canada’s Regulation F18, and OMHA Regulation 3.2 b

Please register your player by birth year.

Rowan’s Law Acknowledgement is now part of the online registration system. Coaches, trainers and volunteers can complete the same for themselves through the registration system.

Registration opens July 1, 2020.

All registration is done online. Please note, although we are not accepting payment at this time, once we know season start date, season structure and have approval of the OHF to accept payment, rates above may be adjusted and payment options will be open. The rates noted above are based on a “best case scenario” of a September start date – fees will not be higher than noted above.
