	No motions

Executive	Report
Adam Rosato Ice Scheduler A Convenor	A Convenor and Ice Scheduler Total 52 teams in Rep and House League 7 A Teams All schedules completed with no issues.
Erin Rosato Treasurer/ Acting Registrar	Year end is May 31st. Reviewed Financial Statement for yar end 2022. Better year than 2021 Profit of \$73,000. (\$55-\$75 to cover) Ice is our biggest cost 0 \$216-\$226 per hour for NTRC. Beeton and Tottenham will increase for next season. Trying not to raise registration fee. Tournaments will be held. Tournaments – cancelled U9 and HL tournament We are trying to keep costs down. Other Centres receive subsidies. We get a very small subsidy. We need to appoint and Accountant.
David Morrison Timekeeping Assignor	Good year – no major issues. Scheduling Alliston was not a problem. More difficult to get Timekeepers in Tottenham. Parent/Team Managers entering the booth was a problem. We resolved this. 40 Timekeepers.

<p>Agnes McLachlan Sponsorship and Fundraising</p>	<p>We did have some issues with the iPads this season. Incorrect codes and team assignments, but we rectified. We had McDonalds and Tim Hortons as Sponsors. We are waitlisted for First Shift – we find out in May if we have been accepted.</p>
<p>Chad Roberts Head Trainer</p>	<p>The 2022-23 season was a very positive one for teams across all divisions from the trainer perspective. We had minimal serious injuries, and our main contributing factor was head injuries and/or concussions.</p> <p>At the beginning of the season, I introduced a new concussion screening program that was offered here in Alliston for any players over the age of 10. With it being a new program, there was some interest but not a huge amount of success. Therefore, I am going to be spreading out flyers around upcoming tryouts and posting it on the TNT website to better help make this program known across our organization going into next season.</p> <p>At the beginning of the 2023-24 season, I am also going to be addressing all our trainers regarding some literature and guidance on dealing with shock in an injured player and its correlation to temperature control. Stay tuned for more info on this.</p> <p>In conclusion, I look forward helping all our teams, trainers and players for another season and continuing to develop the above-mentioned programs. If there are any question or concerns, please feel free to email me at any time.</p>
<p>Butch Galbraith Referee in Chief/Assignor</p>	<p>We are a work in progress for refs. We are bringing in Level 3 refs for older age groups. After Covid, we are down to 1800 refs from 5300. We will be putting postings on the website for new refs.</p>
<p>Kevin Boston Risk Management Director</p>	<p>No players from TNT were involved in any reviews. We had two reported incidents this year.</p>
<p>JD Lout U9 HL Convenor</p>	<p>Great year. We went from half ice to full ice. Coaches worked together well. No issues.</p>
<p>Jamie Larocque U5/U7 Convenor</p>	<p><u>U5 Division</u> In 2022/2023 our U5 division had a total of 23 players. 18 boys and 5 girls. Our division had 9 on ice volunteers with Jon Chapman as our lead instructor.</p>

	<p>For the second season in a row, we were able to acquire some extra ice time on Sundays by utilizing the empty half ice that was left empty. We had good attendance on Sundays 70% each week and the kids really enjoyed the extra ice. Some of our seasonal highlights was having the Hornets coach come out to two practices, colouring contest, Jersey Day, TNT sibling day, year end banquet.</p> <p><u>TNT U7</u> In 2022/2023 our U7 division had a total of 83 players, 75 boys and 8 girls. We had a 22 coaches and volunteers on ice. Before our season started, we had a coach meeting to develop a seasonal practice plan to help develop our players. Each practice consisted of 3-4 stations focused on various skills and a game. Each week a different team was responsible for creating a practice plan, the practice plan would be sent out every Thursday evening for review and then implemented for all teams on Saturday. Each team on the ice would be mixed in groups based on skill ability. Players would then rotate through the stations and interact with all the coaches from each team on the ice. Our coaches did a wonderful job organizing practices each week, everything ran smoothly, and the kids had a lot of fun. Some of our seasonal highlights included the Hornets coach coming out twice to interact with the kids, a TNT logo colouring contest, Jersey Day, TNT sibling day, and our year end banquet. We would also like to recognize our Daniel Warzin Award winner Claire Cristan.</p>
<p>Tony Smith U15 LL Convenor</p>	<p>Good season Both teams were competitive Most players are saying they are returning next year. U16 also had a great season.</p>
<p>Dan Reeves U18 LL</p>	<p>U18. This year we fielded one team in the Local League circuit, and the team fared very well, finishing fourth overall, and providing some excitement in the playoffs. Many thanks to the coach, Scott Davidson, and the bench who provided leadership to the players.</p> <p>Local League. This year, we fielded three teams on the Simcoe Region Local League. The league is a collective centre who do not have enough teams at the age level to have an in-house league. Member centers include Beeton, Thornton, Innisfil, Oak Ridges, Schomberg, Lefroy, East Gwillimbury, Noble King. Each team plays a 26-game schedule, with a minimum two rounds of playoff activity. We have been an active member of the loop for many years, and it provides an exciting calibre of hockey for the plyers. This year we fielded one U18 team and two U!5 teams. Thanks go to the coaches, Scott Davidson, John Southwood, and Tony Smith for their leadership, as well as Erin Rosato for her support behind</p>

	the scenes, and Adam Rosato for scheduling the ice time for the teams, and to the parents of the players for their support.
David Splawnyk U13 Convenor	4 teams – great year
Equipment Director	N/A
Chris Beauseart VP Rep	We had some challenges last season with Covid – this year was better because we had a full season. OMHA and Hockey Canada changes – reworking programs No major issues this season.
Colin Iddison VP House League AA Convenor	House League had an awesome year – players really enjoyed it. U13 was run by Cole. All the Coaches were great. We are really developing the players and Coaches. First Shift being introduced – a lot of interest. AA U10 Champions All age groups were middle of the pack or top 3. We had a great year.
Donna Horan President	Very pleased with the year. We are back to normal after Covid. Looking forward to next season.

Meeting adjourned: 8:32 pm

Q&A

Q: Why are Rep fees different for each age group?

A: Differences in length of games, timekeeper fees, practice times, playoff formats

Q: Who will be Convenor for U8/U9?

A: Jamie Laroque

Q: What is the impact on TNT with everyone amalgamating?

A: We will not know until we go through the upcoming season. NRP program is gone. We may lose more kids to AAA.

Donna explained A moving to BB. We have to stay at AA because we will lose players etc.

Q: Can we join with Essa?

A: Amalgamation takes 1-3 years. The current amalgamation with Bradford/Innisfil and Georgina/EG are pilots.

Q: U8 MD – will there be Coaches applications?

A: After AA/A Coach selection

Q: Can out of town kids play HL/LL at TNT

A: Yes

Q: Will we have Goalie clinics next season?

A: Yes, plus development programs for HL.
